# 2014 ALL ACRC TEAM

Coaches voted on players who had the most impact for their teams among ACRC Conferences, which include the Ivy League, ECRC, Mid-American Conference, Big Ten Universities, Empire Conference, Rugby East, SCRC, ACRL, and SWC. The votes were for a player's performance during fall play in-conference and in cross-conference games. Forty-five players from 26 different college rugby programs were named as either 1st Team, 2nd Team, or Honorable Mention All-ACRC.
